Stakeholder consultation is one of the most important parts in certification process. Here of which, the relevant stakeholder may include but not limited to national, regional as well as local stakeholders to provide their views and opinions as to whether the applicant's certification units comply with the requirements of the applicable standard.

This letter is to invite all stakeholders to take part in this consultation procedure as you contributed to ensure positive certification decision. We ask you to raise any issues, both positive and negative, by sending a written response by mail, fax or by E-mail (sustainability@tuv-nord.com) to our TUV NORD Malaysia Sdn Bhd office as indicated below.

Please considered the below point as your guidance:

- Environmental protection.
- Biodiversity conservation.
- Opportunities for employment.
- Provision of housing, sanitation, amenities and educational support.
- Company approach to community development.
- Participation in decision making.
- Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- Issues relating to other plantations owned by the company not included in this assessment.
